The difference in the Monthly Plans?

- **Autoresponders:** How many personal autoresponder series and number of messages.
- **Upload:** Daily number of 'opt-in' leads you can upload from your own lead sources.
- **Capacity:** Total database (contact manager) capacity for your leads and contacts you personally add to the system.
- **Video:** Access to the Video Share and Video Email platform. (\$50+ monthly value)
- **Blogging:** Custom Premium **WordPress Blog** Creator (\$497+ Value) with premium Complimentary Hosting (\$10+ monthly Value)
- **Chat:** Personal Live Chat platform. (\$20+ monthly value)
- **Tell-a-Prospect:** How many contacts you can manually add, daily and total.

Features included in all monthly plans:

- Back Office Control Center
- Contact Manager (CRMM) - total contact lead management.
- Multiple Personal Lead Capture Pages with Opportunity Tour Website tied together with Personal Webinar On-Demand Website.
- On-demand personalized webinar registration platform
- Social Blackboard - **Social Media Training "Basic" membership** (Discounted "A la Carte" pricing for Premium Membership)
- Multiple professionally recorded product and business opportunity videos.
- Personal .NET System Information Site
- Personal, **Pre-Built** Autoresponder Systems with Follow Up, Tell-a-Prospect and Cold Prospecting Series.
- Integrated **Phone Contactor** (Exclusive Discounted "A la Carte" pricing with Free Trial)
- And much more!
